

## SCRIP FUNDS REQUEST FORM

The scrip committee would like to start using the scrip funds, in particular for items needed for the school and the children. We understand it can be hard at times to stand in front of large crowds and ask for funds so we'd like to find out with this request form if there is anything that your classroom, students or teams are in need of, such as a computer, a smart board, AR books, science experiment items/funds, uniforms, travel fees or anything else along those lines. If you have anything you are in need of please list your items below and if it's under \$500 the scrip committee will be able to approve the request anytime throughout the school year. However if it is over \$500 we will have to take the request to the next Home and School meeting that is scheduled.
