

SAINT JOSEPH CATHOLIC SCHOOL

Osage County R-III **and** St. Joseph Catholic School

Snow Route Information as of 12/18/08

Dear St. Joseph Catholic School Parents,

KEEP

Fatima provides the buses for the parochial schools and we will follow the following 'snow route' information. Please remember the doors at St. Joseph School do not open until 7:30 am and the school hours are 8:00 am to 3:12 pm. *Rev. Mr. James E. Skahan, Principal*

From Fatima: I appreciate your input by filling out the questionnaires sent home in November 2008. This information was vital to us. I am sure there will still be some kinks to work out but we have made every attempt make this process as painless as possible. Most drop off sites will have at least one bus available to drop your students off between 6:30am – 6:45am. Routes are designed to leave drop off sites and travel directly to Fatima with stops made to drop off parochial school students at their prospective parochial schools. Please note we will not travel County Roads when snow routes are called for. We will only call for snow routes when the county roads are expected to improve during the day and full routes will be run in the afternoon. Students are to board the busses as soon as they arrive at a drop off point. Parents are urged to drop your students at the following drop off points only when a bus is present. Thank you for your cooperation!
